

Online CLE from

DigiLearn™

Highest Quality CLE Training Available Anytime, Anywhere!

DigiLearn provides a simple, quick and cost-effective way for attorneys to extend their professional development and satisfy professional continued legal education (CLE) requirements. Our high quality online courses complement traditional CLE options to provide a training alternative more flexible, more convenient, and more controllable by you!

DigiLearn brings you the highest quality content through our affiliation with leading attorneys, bar associations, law schools and universities. Our leading-edge Learning Management System supports multiple delivery formats, including:

- Text-based courseware
- Audio and video streaming
- Interactive learning
- Downloadable support materials

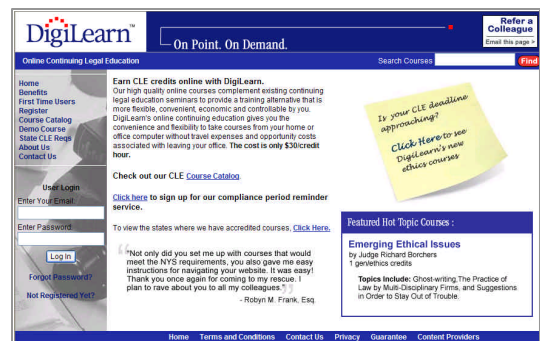

DigiLearn provides a cost-effective solution to a growing challenge:

- No travel costs or travel time
- No time out of the office or conflicts with your demanding schedule

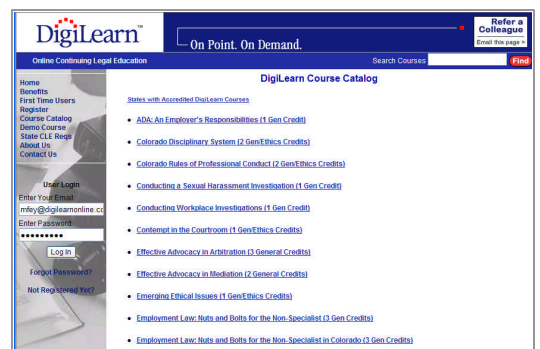

Courses are accessible from anywhere you have Internet access—the office, at home, or on the road. And, helpful, friendly customer service and support is available seven days a week.

DigiLearn is the premiere provider of online CLE training for Colorado attorneys—soon available nationwide!
